Thread: [False neg repped](#)

Klout - April 5, 2018, 12:51 pm

I'm not sure where this would belong so apologies if i picked the wrong section of HF.

This [fuckface](#) just neg repped me with false accusations that i am not trusted to do deals with. I NEVER scammed anyone for as long as my account exists.

Thus i'm calling this fucktard out to give out his "proofs" of scamming him right fukin now.

Also, can i somehow remove this rep since i don't want to look like i scam people in CE section. ty guys

That is a valid reputation.

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.

That rep is not breaking any rules

SIM-1589588 - April 5, 2018, 12:54 pm

Sadly DWC is a valid rep and admins won't remove it. I will advice you to read [Help Docs](#) once.

Elitas - April 5, 2018, 12:54 pm

There is nothing wrong with the rep.. And calling him a fuckface won't really accomplish much.

M?xim - April 5, 2018, 12:57 pm

Wait, you negged him with a DWC?

Bitccc what

I'd suggest you to read [Help Docs](#).

We do not consider DWC (Deal With Caution) reputations abuse by itself. We consider it good advice for all members in all situations when doing deals.

Klout - April 5, 2018, 1:04 pm

How can someone leave you a DWC warning with absolutely no reason or any valid argument for that accusation.

I'm not mad about it tho but i don't want to make people think i scam in CE section.

Thanks anyway <3

Yes because if you take a look at his thread he is not paying people, i have solid foundation to give DWC warning. He doesn't

Aaaand you thought that our pretty Staffs goes around and check every DWC so that there's a legit argument behind it?

Seems like that's what you are thinking.

Klout - April 5, 2018, 1:07 pm

Nah but i expect you to check it if i report it.

Keep in mind ur the staff of the HF

R?venge - April 5, 2018, 1:08 pm

lol you can't expect to neg someone and not receive one back.

I have multiple false reps, just stay legit and don't worry about a few negs.

"Deal with caution" and "scam" are two completely different things.

1. You should always "DWC". With everyone. That's just common sense so of course DWC reps are allowed. Omni even wrote in the rules of the CE section that you shouldn't trust anybody.
2. Scam reputations require a deal dispute thread to be linked

When people check rep to do deals, the only valid scammer reps are ones with deal dispute links. If you're not in the deal dispute database, a DWC rep won't affect deals with anyone who is worth doing a deal with here. Pretty straightforward. Just accept it, it's a valid rep and there's nothing you can do about it. Whenever I see reps like that it just shows me how salty that person was at the time lmao.

There's no right section to complain about rep. Invalid rep should be handled using the report function and for valid rep you just have to move on even if it's for bs reasons. As long as he didn't use the word scammer it's considered valid rep

Ur right and it's all cool. I didn't want to come up as a crying bish over it. I just don't want people to think i'm not a trustworthy person when exchanging in CE because i want to keep it 100 legit.

I'm done with this now. Ty
