(Nov 20, 2017 01:51 AM)Space• Wrote: [\[CITE\]](#) I personally had a few little insights, and from what I can tell the eBooks looks good!

Best of luck with earning everyone!

(Apr 7, 2018 05:15 PM)Cubruh Wrote: [\[CITE\]](#) EDIT:

Alright so im back with some earnings and damn I never thought this method would work as well as it does... like im honestly impressed ive made around \$30 with like 1 hour of work this product has my vouch.

First off before I get into my review I would personally like to thank Baked for giving me the opportunity to review his methods. I was given the premium package which is currently priced at \$24.99, I would like to say this is a very good deal for what he is offering within the eBook. In the premium there are 2 methods to making money which I like to see however the second one could use a little more work on making it more original, however, I'm not saying that this won't makes you money it most definitely should. HOWEVER the first method which is inside the eBook is personally something I have never seen before. Baked goes over the steps needed to make this method work along with a couple suggestions on how to improve your income. Overall this eBook is a great option for beginners who know nothing about online marketing and making money online, to anyone who decides to purchase this method I am looking forward to seeing your earnings.

(Apr 11, 2018 06:07 PM)Jxy. Wrote: [\[CITE\]](#) Welp, what can I say haven't even started on this yet but reading through I can see I'm about to make some serious bank!

Plus the guy's got an approval of the appraisers what more can you ask for?!

Spend abit of your money to get a big ROI!

Can vouch for Baked & his method x

(Apr 13, 2018 04:42 PM)Sandeman Wrote: [\[CITE\]](#) I have talked to OP in the past and he knows what he is doing, I recommend if you're considering trying this eBook do it, he provides refunds so y'all got nothing to lose.

I bought a copy, the eBook is well written and bound to make you some cash, I'm looking forward to adding this to my arsenal of online money techniques. ?

Will update y'all on some earnings soon..

EDIT(The Next Day):

Well, just made my money back.

idk why my paypal keeps holding cash for 24 hours though ;-;

(Apr 11, 2018 09:00 AM)Theocritus Wrote: [\[CITE\]](#)

Before I begin my review, I would like to thank you for giving us ("Appraisers"), the opportunity to review your eBook.

Product: [>>Profit King<< | \\$300/Day GUARANTEED | SUCCESS OR 100% REFUND! | >EASY MONEY<](#) by "Baked™"

This eBook contains 1 main method, and 1 bonus "method", depending on the package you purchase. The main method consists of 10 pages and the bonus "method" consists of 1 page.

Before I get into the eBook contents I would as always like to talk a bit about the grammar and design of this eBook. Now as always, I did find some grammar mistakes here and there, but nothing that takes much away from the eBook. But this is of course something OP should look over when he has the time. On the design front I think the eBook is structured well and looks appealing and clean, though I am not that happy with the choice of having multiple page sizes in the eBook. By this I mean that some pages are bigger than others and to me I do not see any reason for this. My personal recommendation would be to change this into one standardized size for all pages.

Anyways, on to the main method. The method in this eBook is one I have personally never seen before and one that I feel is fairly original and well thought out. This method is in theory based on reselling, though it is far from a general reselling guide. You will not be selling physical products, or games, or any product like that. Though of course I can not say what exactly you will be reselling I can say it can sell quite well if you find the right people to sell to. On that point it is fair to mention that this guide does over multiple pages cover where to find your customers and how to approach them. You are given many sites to use, a few favorite ones from OP included. Most of the guide covers the customer finding/research, and how to get them to actually buy from you. As OP also mentions you can take special advantage of your own native tongue to really get some extra sales with costumers from your own region/country.

OP does also cover the prices you can buy and sell the product at. Though of course you are free to choose your own price, OP does give a general guideline on how you can do it, which is naturally quite nice as well. Also, something else that should be mentioned is the nice illustrative images and structure of the entire eBook. The step to step process is fairly well set up and easy enough to understand. OP also covers multiple potential avenues of communication so you have a good amount of choices on how to get in touch with your potential customer.

At the end of the eBook OP also covers some nice tips and tricks you can no doubt use in expanding and being more profitable over time.

At the end here I will very shortly talk about the bonus “method” you get if you purchase the more expensive package of this eBook. To be completely honest this can barely be called a method. It is 1 page long and basically just says, “hey, you can buy certain things at A, B and C, and sell them at a profit on D and E. it really does not qualify as a method and I will also say it is pure public knowledge at this point. So, if you are considering to buy the more expensive package of this eBook then I would only recommend you do so for the upgrade in support or refund possibility. If you value that.

Final Thoughts

To OP I would like to suggest you change your eBook so all the pages are the same size so it would then look more clean and professional. And of course, I hope you also iron out the small grammar mistakes here and there.

If you are thinking about purchasing this I would say it is far from the worst eBook out there. There is also no need for further investment, which is of course great if you are on a tight budget. The main method is original and I would suspect 95% of you will not have seen it before. I can imagine you might spend a little time getting some nice profits from this, but if you have lots of free time that will not be a problem. The bonus method though is not really even a method and therefore I would not advice you buy the top package unless it is purely for the upgrade in support or for the refund opportunity.

The pricing for the base package is also quite fair in my opinion.

TOS:Spoiler ([Click to View](#))By accessing this page, you are agreeing to be bound by these website Terms and Conditions of Use, all applicable laws, and regulations, and agree that you are responsible for compliance with any applicable local laws. If you do not agree with any of these terms, you are prohibited from using or accessing this page. The materials contained in this web site are protected by applicable copyright and trademark law.

General:

- All sales are final.
- You must wait 30 days from the day you purchased to claim a refund.
- - Leaving unnecessarily negative feedback on Business Specialist on any of the following sites; Hack Forums, Selly.gg, PayPal, is prohibited and will result in suspended access to the Business Specialist discord and further support, and no refund will be granted.
- - I reserve the rights to change the Terms of Service without any further notice.

Refund Allowances and disallowances:

- No refund will be processed if the method was already known or familiar to you.
- No refund will be processed if there is lack of effort or requesting a refund within an undisclosed timespan.
- No refund will be processed if the method was not in your interest.
- A refund is eligible when the method does not work in your country.
- A refund is eligible if the method showed no sign of any results (item wise, knowledge wise, valuewise)
- A refund is eligible when the product was tried, significantly processed but no results were visible.

In the event of a chargeback:

- A deal dispute on <https://hackforums.net> will be opened against you.
- Any personal information I have access to (IP address, email, real name, GEO location, addresses and more) can be used against you and posted public for anyone to see and search for.

- You will get a negative feedback on your Hack Forum's profile with a link to the deal dispute.
- Refund policy will void.

So where are your GIF earnings?

You can make a GIF with gyazo in 10 seconds, everyone knows that.

Just login to your paypal account, start recording with gyazo gif and send us the link.

Bear - April 8, 2018, 7:02 am

Also, if you offer someone a copy for free, please ask them to post earning proof. This marketplace is filled with scammers trying to make that quick buck with "ebook sales"

Most ebooks here are washed up and re organized methods from other ebooks, combined into another new flashy looking one.

Why should I trust you with my money in a marketplace filled with failed methods or people not 100% happy?

Some things you may want to consider as a seller of this.

Good luck with the sales.

packofmidgets - April 8, 2018, 8:18 am

I can see this method working but it requires a lot of work to do. I will not be using this myself since I am looking for something at least semi autopilot. But again I can see it working. The method is priced right. You can see sales come in if you do the method correctly I can say that right out the gate. Would not take much time to set up. Only thing is you will have to put in the time to get the results. If you are truly looking to start a business and do not mind putting in work then this is a good method. GLWS OP

Before I begin my review, I would like to thank you for giving us ("Appraisers"), the opportunity to review your eBook.

Product: [>>Profit King<< | \\$300/Day GUARANTEED | SUCCESS OR 100% REFUND! | >EASY MONEY<](#) by "Baked™"

This eBook contains 1 main method, and 1 bonus "method", depending on the package you purchase. The main method consists of 10 pages and the bonus "method" consists of 1 page.

Before I get into the eBook contents I would as always like to talk a bit about the grammar and design of this eBook. Now as always, I did find some grammar mistakes here and there, but nothing that takes much away from the eBook. But this is of course something OP should look over when he has the time. On the design front I think the eBook is structured well and looks appealing and clean, though I am not that happy with the choice of having multiple page sizes in the eBook. By this I mean that some pages are bigger than others and to me I do not see any reason for this. My personal recommendation would be to change this into one standardized size for all pages.

Anyways, on to the main method. The method in this eBook is one I have personally never seen before and one that I feel is fairly original and well thought out. This method is in theory based on reselling, though it is far from a general reselling guide. You will not be selling physical products, or games, or any product like that. Though of course I can not say what exactly you will be reselling I can say it can sell quite well if you find the right people to sell to. On that point it is fair to mention that this guide does over multiple pages cover where to find your customers and how to approach them. You are given many sites to use, a few favorite ones from OP included. Most of the guide covers the customer finding/research, and how to get them to actually buy from you. As OP also mentions you can take special advantage of your own native tongue to really get some extra sales with costumers from your own region/country.

OP does also cover the prices you can buy and sell the product at. Though of course you are free to choose your own price, OP does give a general guideline on how you can do it, which is naturally quite nice as well. Also, something else that should be mentioned is the nice illustrative images and structure of the entire eBook. The step to step process is fairly well set up and easy enough to understand. OP also covers multiple potential avenues of communication so you have a good amount of choices on how to get in touch with your potential customer.

At the end of the eBook OP also covers some nice tips and tricks you can no doubt use in expanding and being more profitable over time.

At the end here I will very shortly talk about the bonus "method" you get if you purchase the more expensive package of this eBook. To be completely honest this can barely be called a method. It is 1 page long and basically just says, "hey, you can buy certain things at A, B and C, and sell them at a profit on D and E. it really does not qualify as a method and I will also say it is pure public knowledge at this point. So, if you are considering to buy the more expensive package of this eBook then I would only recommend you do so for the upgrade in support or refund possibility. If you value that.

Final Thoughts

To OP I would like to suggest you change your eBook so all the pages are the same size so it would then look more clean and professional. And of course, I hope you also iron out the small grammar mistakes here and there.

If you are thinking about purchasing this I would say it is far from the worst eBook out there. There is also no need for further investment, which is of course great if you are on a tight budget. The main

method is original and I would suspect 95% of you will not have seen it before. I can imagine you might spend a little time getting some nice profits from this, but if you have lots of free time that will not be a problem. The bonus method though is not really even a method and therefore I would not advice you buy the top package unless it is purely for the upgrade in support or for the refund opportunity.

The pricing for the base package is also quite fair in my opinion.

(Apr 13, 2018 04:42 PM)Sandeman Wrote: [\[CITE\]](#) I have talked to OP in the past and he knows what he is doing, I recommend if you're considering trying this eBook do it, he provides refunds so y'all got nothing to lose.

I bought a copy, the eBook is well written and bound to make you some cash, I'm looking forward to adding this to my arsenal of online money techniques. ?

Will update y'all on some earnings soon..

Thanks for the vouch man :) Glad you enjoy it!

~~((HACKER))~~ - April 14, 2018, 6:55 am

I can vouch for this method.

The ebook is pretty easy to understand and you are guaranteed to make some money out of it.

Refunds are available, so it's worth purchasing this ebook.

GLWS.

Regards

((HACKER))

Tesla - April 14, 2018, 12:22 pm

Let me know if you have any questions about the ebook. You can send me a PM or contact me at any of the platforms listed at the top of the thread :) Looking forward to working with you guys!

Sandeman - April 14, 2018, 4:27 pm

Well, just made my money back.

idk why my paypal keeps holding cash for 24 hours though ;-;

Yes sir! Method is working great and profits are high as ever! ?

BenderRodriguez - April 21, 2018, 2:31 pm

How often do you update?

Seems like a quality ebook, might consider purchasing in the future.

Tesla - April 21, 2018, 4:20 pm

(Apr 11, 2018 06:07 PM)Jxy. Wrote: [\[CITE\]](#) Welp, what can I say haven't even started on this yet but reading through I can see I'm about to make some serious bank!

Plus the guy's got an approval of the appraisers what more can you ask for?!

Spend abit of your money to get a big ROI!

Can vouch for Baked & his method x

I update it pretty often, last update was about a week ago and I'm working on another one right now :)

BenderRodriguez - April 21, 2018, 5:26 pm

Review:

I just got this method from Baked.

Insanely nice method, well-written, great layout. Ideally for all new people to making some easy cash after very little time. No investment. It gets autopilot after a little, as well. Nothing but quality from this method.

BUY THIS AS SOON AS POSSIBLE, you'll make you're money back within the hour if you put in the effort.

Vouch for baked, nothing but HQ things from him

Arctic Wolf - April 22, 2018, 6:52 pm

I've done quite a few deals with this member and has always been HQ....So far....lol GLWS

·Lawliet· - April 22, 2018, 10:31 pm

Testing this out safely this week

It is very fools proof and requires little effort I may say.

Will post back with results.

Tesla - April 23, 2018, 4:50 am

MilfMister - April 28, 2018, 11:20 am

Looks promising man. So this works worldwide right?

Tesla - April 28, 2018, 1:23 pm

(Apr 28, 2018 11:20 AM)MilfMister Wrote: [\[CITE\]](#) Looks promising man. So this works worldwide right?

Yup , I have only stuck to US and made bank because I don't speak any other languages but if you can speak multiple languages you can make even more!

BenderRodriguez - April 29, 2018, 8:02 am

(Apr 28, 2018 11:20 AM)MilfMister Wrote: [\[CITE\]](#) Looks promising man. So this works worldwide right?

Can also vouch it works worldwide, I've seen people use it from Europe. Might be actually easier if you speak a different language.

Tesla - April 29, 2018, 10:21 am

Here are earnings from yesterday and so far today

Arctic Wolf - April 29, 2018, 12:26 pm

Never had a problem with him I would trust him but that's up you!

I appreciate it bro ?

FawkCidy - May 1, 2018, 8:13 am

Ok so title says \$300/day GUARANTEED. So if I'm not making \$300/ day, i get "%100 success or REFUND" right?

I guess ill buy this. Ill edit with updates.

UPDATE: I bought it and read through it. The concept is nothing new however the method isn't something ive seen before. I will be trying this out for 30 days (Refund is only offered after 30 days)

Hoping to get to that 300/day. Im planning on spending about an hour a day on this until I start seeing results.
