Thread: [Back on the ankle monitor \(house arrest\) facing 3 new felony charges.](#)

Jerry Smith - April 9, 2018, 2:27 pm

Looking at doing up to two years, but as it stands right now it looks like I could do probation because even the prosecutor (state representative) said he recommended my pretrial release on house arrest.

Looking at 3 counts of Felony Harassment, because I got drunk and tried to kill myself by walking on the highway where cars do 55MPH and the cops showed up and I threatened to kill them (all 3 of them, hence the 3 counts) and because I've already been convicted of 4 felonies I could be looking at doing 2 years.

Fuck my life.

Cyber Coder - April 9, 2018, 2:34 pm

if you're going to kill yourself at least do it without taking other innocent lives with you.
get help from a therapist

Who Soup - April 9, 2018, 2:36 pm

Hopefully this is the wake up call needed to change your life for the better.

Nachfolger - April 9, 2018, 2:38 pm

Negligent things like this ruin peoples lives. Who would have had to deal with the guilt of hitting someone and killing them by accident for the rest of their life? Every time you close your eyes you think of the drunk retard who jumped out infront of you.

Go gtfo and get some help. Moron.

Slim Jxmmi - April 9, 2018, 2:45 pm

Aren't you that school swatter who got caught? I thought you would have learned your lesson from that :/

Formant - April 9, 2018, 3:15 pm

Why wouldn't you just say you need psychiatric help? Surely they would sort you out with something. You must have a shit lawyer.

Tree of Life - April 9, 2018, 3:18 pm

You are a fucking idiot. Try harder next time, loser.

I'd be suicidal if I kept, somehow, getting felonies.

test - April 10, 2018, 12:55 am

That's really a felony? Surely they could tell you were intoxicated. That's harsh though.

ZooTedI - April 10, 2018, 1:04 am

You should probably put down the bottle and grow up

Vegeta - April 10, 2018, 1:08 am

Jesus, try not to be so reckless next time. Better yet, don't let there be a next time. Seek help, there are plenty of people out there who are willing to listen and guide you into a new direction.

Kanye West - April 10, 2018, 2:24 am

House arrest can be a blessing ;)

Honeybun - April 11, 2018, 12:11 pm

Kid, you've got some serious problems and you'll regret this later in life. In ten years you'll look back

and realize how huge of an idiot you were.

Get some help.

Brill - April 11, 2018, 12:18 pm
