This is not me. You pm'd me on HF regarding some sort of confirmation on skype and I said "What"?

IN MY SIG IT LITERALLY SAYS " Hooper.hf " IS NOT MY SKYPE and I attach a thread regarding an imposter. ???

Don't ever deal with anyone on skype
most of them using fake names

and don't ever go first :)

Sorry to hear you got scammed. :(

I was also scammed right now... I made another deal-dispute. I lost 80\$ in a day. ;(

You need to post much more info when opening scam report.
Currently, this report is invalid.
