Holy fuck LOL.

This morning. On my way to another city, I saw this train "-" and posted it on Imgur

But then I go on Reddit, and it's SECOND trending with 31k likes posted by someone else.

Weird how a single photo I took can get that far.

Quality of it was so bad as well because I zoomed through a window which reflected.

nr 1 tip

if something goes viral on imgur

it will go viral on reddit

Vegeta - April 10, 2018, 4:24 pm

Lol that's pretty funny. Reddit always jacks other peoples stuff. Same with twitter.
