Thread: [\[April\] Auction: Xerotic Bot DNA Award](#)

Xerotic - April 10, 2018, 10:03 pm

Auction

for

Xerotic Bot DNA Award

Hello everybody. My name is Xerotic and I [recently became an Administrator](#) here at Hack Forums. I will be (and have been already!) creating plugins, adding features to the site, and improving site functionality where needed. While I am in this position I will be dedicating my time towards HF full time. In order for this to be possible, however, I must be able to earn money to pay my bills. As part of a plan to allow me to dedicate the time I will be (and have been) dedicating to HF, Omniscient has allowed me to grant the [Xerotic Bot DNA](#) award once per month with the understanding that it will be sold or auctioned each month. This will allow me to afford my rent/bills so that I can continue to pump out code and bring some amazing features to HF. Features that have been talked about for years are going to be coming to HF swiftly, but only as long as I am able to afford to dedicate all of my time towards the site.

Award

The Xerotic Bot DNA award is very rare. It hasn't even been granted yet! The award will only be granted once per month and it will either be sold, auctioned, or given away. It is designed to support me so that I can support Hack Forums.

I would like to thank [Novica](#) for creating the award image.

Auction Details

I will update the thread with the current high bid and bidder as often as I am able to. If you are the winner of this auction you can have the Xerotic Bot DNA award granted to yourself or another member.

End Date: April 14th, 2018 @ 12:00pm, Central Time Zone

Item/Award:

Accepted Payment Types: Bitcoin, Ethereum, Litecoin, Dash, Bitcoin Cash. I am open to other crypto coins if need be.

Bid Increment: \$25

Current Bid: [\\$1050](#)

Current High Bidder: [Vitani's Mate.](#)

If you have any questions at all then feel free to post below or PM me. I am excited for some of the new features we have planned for the site. Thank you.

Steve - April 10, 2018, 10:06 pm

I live with Xerotic and can vouch that he spends full time on developing for HF and that he also has bills to pay. If he can continue to focus on HF then updates/features will continue to pump out as quickly as they have been over the past few months. Don't make me kick him out!

Saltpeter - April 10, 2018, 10:07 pm

One question, will members be allowed to purchase more than one of this award?

The design does look amazing, Novica outdid himself. Good luck with selling them off X.

?ope - April 10, 2018, 10:07 pm

this seems cool. good luck to all of the bidders and I hope this award will help xerotic and bring out more cool features

Biggy - April 10, 2018, 10:09 pm

Gonna get things rolling here and bid 300\$!

Best of luck selling the award, Xerotic. Thanks for all the work you do here on HF.

Vegeta - April 10, 2018, 10:51 pm

Looks awesome, great job by Novica! Good luck to everyone bidding for the award and thanks for all you do on here.

Let's see how high this gets ?

Chosen 1 - April 10, 2018, 10:56 pm

This award looks dope, I can see it going for 1k

Pre-eminent - April 10, 2018, 10:58 pm

Congratulations on your award and thank you for all of your contributions to the HF community. I personally don't have the funds to spend on an award like this, but I hope it will sell for a high price so you can pay your bills etc.

Poutine - April 10, 2018, 11:03 pm

I would open a Patreon and giveaway 1 award each month to the supporters.

I believe you are going to see its value drop in a few months.

SIM-2223238 - April 10, 2018, 11:04 pm

I may not be able to offer you monetary value but I can offer you love and appreciation.

Omniscient - April 11, 2018, 12:28 am

Xerotic deserves every ounce of thanks and gratitude for his help so far. I hope members can help support Xerotic which does help support the site by ensuring he continues to assist me in developing new features for HF.

Evanescence - April 11, 2018, 12:39 am

Wish fannas1 was active right now. He would bid it \$1k or even more since it's once a month award.

That being said I don't think the value of this award will drop easily as it's not just about the award.

I mean... awards are income too. Omniscient could've easily just made a new award and sold it for 700+\$. Same thing really.

Plus, this was a deal that Omni and Xerotic made together.

I guess it's okay but I'm just wondering why depend on money from the community while you can just get hired and paid for your work - sounds much more reliable long term.

You're right, they've agreed to this but I have a feeling he'd choose a standard pay-out over auctioning an award - who knows how long the community will keep paying for it and the more it gets sold, the less demand. Not to mention all the time spent on selling the award and managing the payments

But yeah, more than plenty of users willing to pay a premium price for it at this moment, we'll see how it rolls

I think Omni has to his life too. Much of the income is from awards too.

Omni can manage much of the work that Xerotic has agreed to do but the efficacy of Omni may be lower than Xero.

So, Xero and Omni worked out a plan so that it's a win-win for both of them.

I think from next month either there will be a patreon page or a lottery based system in place.

Xerotic can code a plugin for that, which will pick up a random winner and grant it to the winner. ?

There should be an HackForums Patreon/LiberaPay page. I know I'd support the development of HF features... Been waiting forever for the new theme.

Omniscient - April 11, 2018, 11:20 am

Quote:if you're truly important to Omniscient, why can't he just hire you for the work that you do?

I do have him on salary. But what I can afford to pay him isn't enough for his bills. Members think I'm rich. I am not. I don't have a fancy car. I live in a normal home. It's expensive having a family of 6 and the bills related to HF are pretty high.

He probably deserves double what I'm paying him but I can't afford it. Simple math.

And we came up with the award solution. He wanted unlimited awards to sell but I convinced him that a 1 award per month would create rarity and demand. He may get \$200-\$300 some months but maybe he'll get \$1k others. And with his salary he can hopefully eat better than Ramen.

Personally I think the award is nice because it shows direct community support for Xerotic. I could do new awards and just try to increase monetizing on HF to pay him more but in the end he is still paid via community support. I think the award is a much funner and direct way to show him he's appreciated by the members.

I could not agree more with this. A lot of people use this website daily and would be happy to contribute to this in order to show appreciation to Xerotic as admin and enable him to dedicate his time to HF by paying for this award.

I will use a new thread every time. Also considering ending the auction early if no bids are made in a 48 hour period.

Can I access the posts next month ?

Should I log every bid myself ?

Oh. I will probably keep the thread in existence. Just closed.

When auction ends in the next 48 hours thread will be unstuck and closed.
