Thread: [VPN Setup Service | FreeRADIUS - Port Forwarding - Automation - Clients - Adblock](#)

Nieeli - April 11, 2018, 5:58 am

I'm offering professional VPN management and setup services for a cheap price. I will go first with my service and the payment can be made when you are satisfied with the service.

For all the services that I offer, I can provide teaching as well. Make sure to PM me if interested.

Services

OpenVPN Server Setup

Installation of OpenVPN on your server

Perfect for your own private VPN with a dedicated IP

I can provide a quality hosting provider which has many locations and a low price

Tutorial on how to add/delete users

Optional: free secure setup of your server

Optional: link to your FreeRADIUS server for free

Price: \$5/server (cheaper in bulk)

FreeRADIUS Setup

FreeRADIUS Server installation and configuration

Configuration of all your VPN servers to work with the FreeRADIUS server

Optional: free secure setup of your server

Price: \$12

Port Forwarding & Static IP Assigning Tutorial

Teach you how to port forward and assign static IP addresses to your users

1 month of support

Price: \$10

Port Forwarding Script

Script to forward ports (easier and much faster than manual)

Configuration of the script

Lifetime support

No experience needed

Usage: ./forward {username} {port}

Price: \$15

Complete VPN Management Service

Install, configure, secure all your VPN servers

Manage the VPN product of your business

Teach you

Pay on a monthly basis

Price: PM me

OpenVPN Client

OpenVPN Client with custom interface

Choose your features

Windows only

Multiple servers and protocols

Add servers easily

Auto-updater

Web panel to add/delete servers

Route Option to use Real IP on certain websites

Server status

Source code

3 months support & updates

PM for more info

Price: starting from \$35

Port Forwarding API (includes port forward script)

Port forward through POST or GET request

Integrate port forwarding in your client

Setup of the API included

Easy to use

Price: \$20

WHMCS Auto Provision Module & Setup

Limit sessions to x amount of devices simultaneously

Auto provisioning

Freeradius groups

Fully featured

Price: \$25

Website with custom billing panel

Choose your features

Auto provisioning

Multiple payment gateways

Admin panel

Secure

Price: starting from \$125

Adblocker for VPN

Automatic adblock updates every 24 hours

Same effect as an adblocker plugin

Price: \$10

Any other VPN tasks can most likely be completed as well. Feel free to reply or PM me with any questions.

I sent you a PM regarding this issue just now. To everyone wondering, yes, I did not finish our deal in 2014 and I will try resolve the issue.

Jokeh - April 11, 2018, 5:40 pm

Vouch for Nieeli.

Setup my vpn in no time at all!

Nasir Junaid - April 11, 2018, 6:33 pm

Very good step.

I hope issue will be resolved.

Nieeli - April 16, 2018, 11:22 am

Still doing this. I can offer a discount for the next few orders.

Nieeli - April 20, 2018, 7:01 am

Now offering fully custom websites with integrated billing and management system. Also offering setup for a WHMCS module.

SIM-3323508 - April 22, 2018, 9:20 am

PM me man I'm interested in seeing some demos

speedcluster - April 22, 2018, 9:22 am

look like nice service I bookmark it, thanks

Nieeli - May 2, 2018, 9:49 am

Feel free to contact me for custom orders too. I'll offer you a fair price.

Nieeli - May 6, 2018, 7:02 am

Now offering adblock setup for OpenVPN servers.

Nieeli - May 10, 2018, 4:04 am

Ready for some work. Check out my FreeVPN service if you want to try out the adblock feature.

Nieeli - May 17, 2018, 9:28 am

Online for business. PM me any questions you may have.

Do you have an email address I can contact you Via?

SIM-3601851 - May 20, 2018, 8:45 pm

What's the custom biling panel you use? How does it compare to WHMCS? Do you have a demo / screenshots?
