Thread: [Fortnite vBucks Service \(75% Of Normal Price!\)](#)

Kway - April 12, 2018, 5:03 am

I will be offering a service to add vBucks to your account at a discounted price. In order for me to apply the vBucks onto your account you will need to give me either your password (I recommend you change it) or your onetime password (a lot more secure) and your email.

Prices (You cover fees in btc):

2800 vBucks = \$18.50

6500 vBucks = \$45

13500 vBucks = \$75

I am willing to do a 1000 vBuck vouch copy for someone with 800+ rep

Q&A:

How do you accept payment?

I will accept Paypal from people who have good rep + verified paypals, other than that it will be in BTC.

What countries will this work in?

USA currently.

How long will this take?

Usually anything from few minutes to hours.

Will my account be banned?

No.

Is this carding?

No, I obtain gift cards at a discounted price.

Servers are currently down, so until they come back up a vouch copy is still available to the most reputable member.
