My thoughts exactly, I don't think so they did a decent job with the movie so hopefully this turns out well too.

Oh shit. So many new episodes released today. Tokyo Ghoul S3, Food Wars, Boku no hero and now this? Daaaamn! I really enjoyed Steins;Gate, can't wait to watch it! Also looking forward seeing Heaven's Feel!

Jiren - April 12, 2018, 7:49 am

Agreed so many good animes airing, hopefully attack on titan season 3 and one punch man season 2

Anyways for the first episode I liked it

hahazpk - April 12, 2018, 1:05 pm

I need to light the fire within me to get the past the first few episodes of season 1. I heard the rest is REALLY good.

wasteman65 - April 12, 2018, 1:36 pm

OMG STEINS GATEEEEEEE HYPE, going to dl it rn 1080p lets go lads!

Soulmate~?? - April 13, 2018, 7:34 am

It was a good first episode, got hit in the feels pretty hard with all the flashbacks.

Kuri - April 14, 2018, 1:40 pm

Steins;Gate is hands down my favorite anime. I watched the first episode, I like it.

DerMensch24 - April 15, 2018, 9:12 am

Mayuri's boobs have already doubled in size since the original series, as well as a few other subtle character design changes. But so far its alright, only time will tell,

I noticed Suzuha got a quite a bit of growth as well.

ORK24 - April 16, 2018, 6:04 pm

Still need to watch the original Steins:Gate, I've put it at the back of the list for too long

AlexOthelionel - April 16, 2018, 8:00 pm

It's on my list, currently watching Chaos;Head and after that I'm playing the game for it.

deadsh0t - April 17, 2018, 1:13 am

I still need to watch the last 10 minutes of episode 1 just didnt had the time well gonna watch it at work during lunchtime hehe

Im very curious to see where this season is going

deadsh0t - April 19, 2018, 4:57 am

finnaly finished the first episode cant wait to watch episode 2 :O

already uploaded episode 2 here <https://allyouwantanime.cf>

I already wonder what the ai is looking like ;)

DerMensch24 - May 19, 2018, 7:24 pm

Anyone else still watching this? I'm on ep 6 so far and shit just got lit

Kuri - May 20, 2018, 5:34 am

Poor Okabe, he just never wins lol

blackcoder00 - May 20, 2018, 5:40 am

damn i watched the movie about 6 time omg ?

Yep, the universe is out to get him lol. Then again could be karma for jumping so many timelines in season 1.
