Hi mate, I don't have enough posts to pm yet. If you want to send me your skype or discord I can communicate there.

Any vouch copies available? If yes shoot me a PM and I will give you a brutally honest feedback on your eBook.

SecretAchiever101 - April 12, 2018, 3:50 pm

I consider myself to be a professional ewhorer. I could provide a very analytic review of your ebook if you provide me with a vouch copy

YooGotti - April 12, 2018, 3:51 pm

is there any proof or vouches?

Frost - April 13, 2018, 12:46 am

This looks interesting, but needs ofc proof.
Sent you a PM!

o.o
..?

Please explain.

SecretAchiever101 - April 14, 2018, 11:42 am

You were asked by 3 4 members to give out a vouch and you didnt reply at all.Plus you have only 7 post and 3 threads and already selling a method that hasnt been vouch by anyone.Do I need to explain myself more than that?

I'm not giving out vouches because I've sold this ebook in the past on my old account - alphadeej
I can't post links but the profile UID is 3704835, lost my mobile auth and I'm not spending \$20 to get the account back.

On my old thread '[E-Book]E-Whore Snapchat Traffic Guide, Great reviews!' you can read the vouch copy reviews.

Ok so basically you admit of being a multi and besides that you provide no evidence at all of your vouches. You are just claiming to have been vouched in the past PLUS you don't want to spend only 20 dollars but selling a method that supposedly will gain us 500 snap adds per day.Lets say 1/100 only buys....Buys pics for only 10 bucks.So that is 50 per day at least.Fishy aint it?

Do you get my point now sir?

I get you mate, but from my point of view I've already given out enough vouch copies (I know there's no concrete evidence that I have, take the information as you will) of this method and I'm not giving away any more.

If people purchase the methods - I will leave their reviews here. The method is 500+ adds per day, not 100-200.

As for being a multi, I've lost access to my old account - you won't see activity from the profile again. I'm not stupid mate, if I was going to multi I wouldn't give you the UID and username.

SecretAchiever101 - April 14, 2018, 12:51 pm

Ok,I gotchu.I dont think you're going to sell any copies of that method.If you do tho,good luck with your sales
