Thread: [Pro Flipper - \\$40 - Double, Triple or even Quadruple Your Investments! - BIG \\$\\$\\$](#)

CoinBoss - April 12, 2018, 8:01 pm

Requirements;

1. \$20
2. The Ability to Sell Things IRL Via Facebook Market Place, Craigslist or LetGo.

I have personally used this method about 25 times for a profit of around \$80 each time.
I mainly re-invested it and paid rent / bought shitbox vehicles for like \$500 - \$1000.

My last run through got me 9 for \$170 or \$18 EACH and that included shipping.
I sold 4 for \$300 and only had to drive 30 minutes (I live in bumfuck no where).
Thats over \$200 in profit off a 30 minutes drive and a \$72 investment!

This is NOT blackhat, this is 100% legal and runs on the basic operations of arbitrage.
You are going to be buying an item real cheap and reselling for a profit.
You will buy this because you do not know WHAT item and to sell nor do you know how to get it for CHEAP.

I know a sure fire product that sells like hot cakes and has an EXTREME profit margin.
This also includes a few bonus methods that are not really everyones cup of team and are really common knowledge, but not always everything believes its possible or even thinks to try.

This is not a long e-book and doesn't take long, but it has very useful information.
I will ONLY be selling 10 copies so this method doesn't get saturated.
I will ONLY be selling to North American residents, if you are not from North America, I wouldn't recommend this for you, but it will still work.

THREE VOUCH COPIES STILL AVAILABLE

Uzmer - April 12, 2018, 8:03 pm

I'd gladly take a vouch copy and make a detailed review on it

N?ght - April 12, 2018, 8:04 pm

Ill take a vouch copy homie and leave you a good review

CoinBoss - April 12, 2018, 8:18 pm

I just realized I cannot hand out vouch copies until I have 40 posts and can PM, vouch copies will be out shortly. My guess is April 13th.

Also, I don't want a "good" review. I want an honest review.

How much are you selling this method for?

Is there an alternate way to contact you? Perhaps skype?

The Director - April 12, 2018, 9:35 pm

I've given multiple reviews out in the market place, I'd love for a vouch copy and will leave an honest

HQ review. GLWS mate.

I just sent you a friend request on discord.. my username as here WARFACE246. I have some questions and im seriously interested.

I have purchased a copy of the method from The OP seller over discord.. He was extremely responsive to all my questions and gave straightforward answers. I will be trying the method out over the next week or two and will respond with a full review so others can see how it worked for me. Keep in mind i Live in a rural area of the unites states with more farmers then anything else so if I can make money so can you!
