Income. - April 19, 2018, 1:55 pm

The Director - April 19, 2018, 2:20 pm

I want the Ub3r upgrade because I've always wanted to win an award upgrade and i've been a member for about 6 years so I'm bound to get Ub3r eventually(hopefully). Thanks for the opportunity and good luck everybody else.

GripeseE - April 19, 2018, 2:21 pm

Hey Income, first thanks for hosting this. I'd like to enter for either 3PIC, or an award. I feel like I deserve to win this because I've done my fair share to help people in private or in threads. Again, thanks for hosting this OP.

.Bus - April 19, 2018, 2:25 pm

I want the gift award, but buying it for myself feels too stupid. Maybe this will come off with some luck.

Thank you for hosting this for everyone.

Haseo™ - April 19, 2018, 2:45 pm

I'd like to enter this Income.

Thank you very much for the giveaway I would greatly like to win the Gift award.

I don't believe I deserve this for any specific reason I just think it would be really neat to have that specific award it's a pretty box with a bow ^_^

I appreciate you doing giveaways like this for non-upgraded members though it truly does help.

Good luck everyone!

(Apr 19, 2018 01:55 PM)Income. Wrote: [\[CITE\]](#) Lets not make this too complicated I'm going to be hosting a contest where I weekly will randomly either upgrade or gift the award to users that posted in this thread.

Basically just post why you think you deserve or want the [3P1C/L33T/UB3R] upgrade or award. Can be anything and everyone is allowed to enter.

Every week I'm going to announce a winner and the first one will be within a couple of days so lets keep this thread active.

Spoiler [\(Click to View\)](#)If anyone want to come up with a thread design or signature feel free to send

me a PM :)

I have already everything! But this is a really nice think you are doing, I hope also new members that arent upgraded will participate and become active !

thales - April 19, 2018, 2:48 pm

I'd love 3p1c or the gift award :) thanks for this giveaway

Vegeta - April 19, 2018, 4:39 pm

I'd like to enter, thanks for the giveaway, Income.

I would be entering for the gift award, I don't deserve it for any specific reason but I would love to have another award on my profile because it looks cool. ?

Appreciate you doing giveaways for the non-upgraded members as well as those who are. Thanks again and good luck to everyone else entering.

Stendoh - April 19, 2018, 4:44 pm

I'd like to enter this for either Epic upgrade or gift award that way I won't have to buy it myself

Triangle Eye - April 19, 2018, 4:54 pm

I really would like to get Any award but not the gift cuz i already have it, the green diamond looks cool aswell :]

Why should i win? Because i have never ever won anything, would like to experience how it is

Tesla - April 19, 2018, 4:57 pm

I'd like the ub3r upgrade, I think I deserve it because I just got approved and I think of myself as a pretty HQ member. I've been here for a while and have helped a good amount of members :) Anyways, thanks for hosting this bro!

Judge Judy - April 19, 2018, 7:17 pm

A gift award would be very nice, I would buy it myself but I need to prioritize my spending with 4/20 coming up and all. Plus nobody likes people that buy themselves gifts, it is known. I'd like to believe I'm a pretty helpful person, helping out people with law related questions as much as I can. If I deserve it more than others I cannot say, but I'd be lying if I said I didn't hope you'd pick me anyway. <3

Rahul007rhp - April 19, 2018, 8:42 pm

Firstly , thanks income for hosting this giveaway. I would love to either win 3pic uograde or an award upgrade because im a member here for 4 years and Im totally clean not even a single -ve rep . I've helped the community and the members here many a times.

Hopefully i win it and goodluck to all the contestants.

rl fennec - April 19, 2018, 8:44 pm

I'd like the gift award because I'm a gift to this world. Thanks

Hacking Service - April 20, 2018, 4:48 am

Hey, im a old user, still i dont have money to afford for the awards, so thats why, thank you for this contest

meister - April 20, 2018, 4:55 am

Think of it as making a small donation to HF, and not just money spent on upgrading me. Would

love l33t, thank you.

000 - April 20, 2018, 5:06 am

Would be really cool if I had few pixels under my username, lol. Posting to enter into the contest. Good luck to everyone else! (:

Eccy - April 20, 2018, 5:10 am

I'd like to enter for the gift award, I feel like I deserve this because I've become very active on hackforums and helped quite a few people in the past month that I've been active.

Also I really wan't an award D:

ETH - April 20, 2018, 6:16 am

I want to prove as worthy for the all friends in HF so any upgrade is welcome friend

Anubis - April 20, 2018, 6:48 am

Can we only apply for the listed awards or we can take others of same value?

spiral - April 20, 2018, 7:49 am

I'll enter for the award,

I don't necessarily deserve the award, but I do try and help people out on the site.

Anyway thanks for the giveaway OP.

Absolutist - April 20, 2018, 8:06 am

I would take any upgrade you could give me. I am new to forums in general so I don't even know how to pay for one to be honest I only use PayPal and my credit card online

ORK24 - April 20, 2018, 9:24 am

Thanks for doing this giveaway (:

I'd like to enter, I don't really have a specific reason for me to deserve the award or an upgrade, I try to keep all of my posts high quality and help out around the forum as much as I can

Polm. - April 20, 2018, 10:01 am

I would like to join this one!

I probably deserve it as much as everyone else but I've done some giveaways too regarding social media.

Would be nice to get upgraded to UB3R, got approved a few days ago so that would be nice.

Good luck to everyone! ?

RainbowHentAi - April 20, 2018, 3:29 pm

I think I deserve an ub3r upgrade because I am a high quality member of this fine community

metaph0rbia - April 20, 2018, 3:39 pm

Id like to get the award because the the section under my rep looks so naked.

SIM-2090815 - April 20, 2018, 4:38 pm

I would like the EPIC gift because ive been here so long now but have just never found the money to be able to buy it!

It's always nice to see users giving back.

I try my best to help people with mentoring and guides, etc when they need them, as I always can't help financially. I've been a user here for quite a while and love the active community. If you could consider giving me the award or an upgrade once I reach 250 posts and 25 rep that'd be great.

Are we allowed to post again when a new week begins, or a week from our first entry? Thanks again for doing this.

ZooTedi - April 21, 2018, 5:25 pm

I think I deserve one of the awards for my activity around Hackforums. I try to help out any and everyone I can while keeping it real with EVERYONE.

GolemX - April 23, 2018, 11:30 am

I never won lets try once again count me in

ZenBuddhism - April 23, 2018, 5:31 pm

Hey, hope this is seen.

I want to become a bigger member on this forum.

I used to be on LF a lot (Buddhism) but the forum dropped hard

I came here to keep up with what I enjoy (Being a part of the community, selling, buying, giving away, etc)

The upgrade would mean a lot, as I have been looking to get one for a while.

Thank you and hope to see you around!

Artisan - April 23, 2018, 5:59 pm

I want the upgrade coz I think it would motivate me to be more active and helpful in this forum

JuiceWRLD - April 23, 2018, 7:11 pm

I would love the UB3R upgrade, I recently got accepted to purchase, but sadly, I have no BTC or any crypto. I'm getting into posting and helping other members a lot more, and having the UB3R status would just be a cherry on top tbh.

Thanks for being generous OP!

Corver - April 24, 2018, 2:13 pm

Hello, I want to enter to for L33T because I would like more respect so that I can interact better with HF's users and sell my products with more confidence~

ieatchickendinners - April 24, 2018, 9:03 pm

I'd like l337 because the bigger inbox is great for when people pm content.

ZeroOne - April 24, 2018, 10:35 pm

I'd love to get the UB3R upgrade if possible. I consider myself a HQ member as I only post where I can offer some kind of help to someone. I got approved a little while ago and don't have the cash rn :C.

****Edit:** Considering I upgraded myself to UB3R recently, if this entry still counts, I'd love to get the gift award.

Phackfo - April 25, 2018, 2:28 am

I don't deserve anything, but I would really like to be either upgraded or given with a gift :)

Thanks!

Matthewwww - April 25, 2018, 7:51 am

Hexiah - April 26, 2018, 3:59 pm

Been here for 8 years and never got an award. (Besides ub3r) Granted only 1k posts, but an award would be cool. :)

ETH - April 27, 2018, 8:00 am

I'm likely to get the l33t member for more contributions in hf

MrHappy - April 27, 2018, 1:18 pm

Judge Judy - May 1, 2018, 6:43 am

I'd really like to win the 3pic upgrade, or the gift award.

The gift award because it looks pretty, and I need more awards to be considered a proper award whore.

The 3pic upgrade would be nice so I don't have to wait in-between posts while I'm trying for that sick loungehead award.

Either way, thanks for the context, many appreciates.

(I'd prefer the gift award tho)

crazy1s - May 1, 2018, 8:56 am

Hoping for an uber upgrade if possible. I dont really think i should win over anyone else per say,i just know that i could put it to good use. Im always trying to help out when and where i can. Thanks! ?

Why you Think you deserve to win in this contest????

answer:I think that I deserve to win this contest because I have no words left to say ? just left with thoughts ? to winnnnnnn

Pre-eminent - May 2, 2018, 9:56 am

Why should you choose me?:

I would like to enter for the Gift award. The reason I think I may qualify to be a winner is due to my contributions in my first year of using HF. I've been using this website for a few months now and I learn something new every day by browsing through the different sections. The award would also be my first award that has actually been bought. I'd love to buy awards myself but have had a rough couple of months financially.

Some of my contributions for this website:

[>> Digital Marketing - A beginners guide. <<](#)
[=> \[Guide\] How to find the best ICO investments <=](#)
[\[FREE\] Guide to E-Whoring: Snapchat // Q&A](#)

Thank you for hosting this weekly contest, Income.

I appreciate your contribution to encourage members to become more active. ?

Justin - May 2, 2018, 10:04 am

Why should I win this?

I would like to win this as this forum is starting to take a lot of my time and I enjoy spending time reading through the posts and figuring out opportunities to make money, laughing at Lounge Posts, and seeking for different partnerships for my ideas. I never experienced a forum so full of information.

Nubs - May 2, 2018, 2:10 pm

i want an upgrade because i'm new to this forum and i can't fully experience it as there are so many restrictions and i don't want to buy an upgrade to something i haven't fully experience or enjoyed.

I need an upgrade bro! :(

Clue - May 16, 2018, 11:38 am

I would love to get the 3pic upgrade. Personally I believe I can bring conversation to the forum and my aim here was to make friends while also learn. I hope to become a much more active and HQ user here and I think an upgrade would really help me with my goals. Also I never have any money since I'm poor and BTC or any other altcoin is like gold dust to me so there is no way in hell I would be able to upgrade unless i win the lottery. Anyway thank you for giving users the chance to win upgrades and good luck !

i want to get because it will make me positive towards this community and I can contribute better in the community by helping people and by learning from the seniors..

Maximum - May 19, 2018, 2:32 pm

Hi, I would like the Monero award if possible, I've been an HQ member of this community for over 6 years and have contributed a lot on HF.

gigajew - May 19, 2018, 5:02 pm

I contribute a lot in the .NET section especially, I would love to win leet or even Uber

Annabelle Lee - May 20, 2018, 7:53 pm

I'd like 3PIC for the extra PM space and flood controls, it's rather helpful to have a larger space for all the old PMs and stuff. I feel as if I deserve it due to the fact I'm incredibly helpful both via PM and on the Coding (mainly C/C++) forums to all members and love doing so.

Genoboy - May 20, 2018, 8:10 pm

I want a gift because nobody has gifted me something yet. I hope through that gift we could be friends.

Davin Weston - May 20, 2018, 10:36 pm

I really would like to get UB3R Awards.

As I have just got approval for it in the first attempt.

And I am really excited about it.

Income. - May 21, 2018, 7:28 am

Thanks for doing that! Are we meant to post again to participate again?

Originalkillit - May 22, 2018, 1:26 am

I would like to have UBER UPGRADE because

my PM box will be increased to 2500 messages--->so that I can clarify the members request which is private with giving more information to members

Max Post Length setting is 18,000 characters---->So that I can give more inforation about the queries of the members with more text and images.

Can edit/delete my own posts up to 90 days--->since technology changes and new upgrades are released I can upgrade the posts and thread to current release information instead of creating another same thread within 90 days

Access to Trust Scan feature--->Avoiding scams

Can Rate Threads-->Excellent feature to rate other members thread so that it bosts the other members morale to post thread with good quality information

I deserve this because from day 1 I have started to contribute to this forum.I can't say anymore Since posts and thread speaks louder than words in the forum I believe ?

Zany - May 22, 2018, 9:18 am

I don't think I deserve anything, because I haven't contributed much, but I plan on using Hack Forums for a long time, so the benefits of upgrading would be helpful.

Sorry for the other posts in the thread and thank you for the give away ?

MrHappy - May 25, 2018, 10:57 am

Looking for a UB3R upgrade, I recently won a competition but was out a lot within the week the winners were announced. I failed to respond in time to receive my most desired reward of UB3R. Very appreciative though of the 3PIC upgrade I go though ;)

There are way more other people though who deserve this. Hopefully, someone who isn't upgraded will receive L33T upgrade.

Houndoom - May 25, 2018, 7:31 pm

Wow, this is awesome!

I have to be honest and say there is not a specific reason why I should earn it but I've been a member since 2017 January and been lurking alot haha :)

Trying to get quite active on here and being L33t would help out alot!

Thanks in advance for doing this, sharing is caring!

xembi - May 29, 2018, 5:43 am

I've been around the forums for a bit and I don't necessarily need to win nor should I but I've been getting back into things at HF and i'm going to start contributing more as I have more time on my hand.

RAT - May 29, 2018, 7:06 am

Thank you a lot OP!

I think I deserve an award because I have been part of the HF community since the beginning. I like to help other members, if possible do free giveaways and support the community as much as possible.

17 pages and no one rated this thread 5star. @OP thanks for hosting this contest.

kainzerdick - May 29, 2018, 3:49 pm

I deserve to be the winner because last night I was walking outside and I saw a beautiful girl sitting on the bench so I decided to approach her and unfortunately you can ignore this message.

Actually I just want to know the feeling of having an upgrade!!!!

Err0rr - May 29, 2018, 4:11 pm

I would love to upgrade, because I stay on HF and trying to learn new things all the time. I also don't come across crypto exchanges often, because I've seen a lot of scamming going on and I don't really have the money for upgrades & exchanges so that I can upgrade myself !

I wish i could win

Judge Judy - May 29, 2018, 7:12 pm

Well since you just gave away a gift award I guess I'll just enter for next week. I'd very much like the 3pic upgrade since it'll help avoiding the post flood limit.

I have all the others now, so if you could give me the last upgrade I'd be very grateful. Thanks bae

Originalkillit - May 29, 2018, 10:54 pm
