Thread: [Superior Giveaway \[ETH, Gift Award, and More\]](#)

**Ludicolo** - April 19, 2018, 2:00 pm

Hello Hackforums!

I am doing a giveaway with 4 different prizes.

What I am giving away:

\$20 ETH - 1

Gift Award - 2

L33t or 3p1c - 3

Ub3r or L33t - 4

Please pick the number of the prize you would like to try and win. For 3 and 4, if you win, I will PM and ask which one you want. For Ub3r you must be already approved.

All I am gonna ask you to do is take a look at [Res Publica](#), a political/law sector in Superior.

This contest will end in 5 days (4/24/18) at 5pm. Winners will be randomly selected by their Hackforums username.

Thanks and Good Luck!
