Thread: [44k follower Car Niche IG](#)

Splice - April 20, 2018, 8:58 pm

I have had this account for years and totally forgot about it tell i charged my old ipad and went to instagram.

There is followers from follower apps. There is a shit ton of followers that have other car pages tho. The hashtag that matches the username has 67k posts.

Username is @BMWf*natics

If interested hmu with offers.

Looking for trades as well

SupremeLV - April 21, 2018, 2:15 am

I have the @Instigated lmk I'm tryna trade it.

bader6100 - April 21, 2018, 6:04 am

Will as it's inactive account, I will drop 35\$ on it

LMK OP

Okay thanks for the offers guys. I will see what others offer

Stendoh - April 21, 2018, 7:39 pm

Is this all bottled followers?
