Description

His thread is closed but I private messaged asking him if he is still selling, he told me the reason he closed it was because it was now slotted but he told me to go ahead and add him on skype to purchase.

Proof

<https://i.imgur.com/pL5exNH.png> - His thread

<https://gyazo.com/9f4d3bde9d3dfae305dae1780e3144ac> - Him confirming the transaction went through and the lack of responses after.

<https://gyazo.com/5bed97a43ae56d2acf72117146ac9282> - Proof it's his skype I was speaking to.

Honestly my fault because he has another dispute open for the same thing which I didn't see -

Strange because he has quite a few vouches from before but whatever.
