The name is C*ck, serious offers only.

Hint: Rooster.

Comment below or PM me for inquiries, thank you.

I am the original owner.

Ninja is added. I can prove.

twitter @deactivate

that username is as short as my dik

o shit waddup

InfamyHALO - April 26, 2018, 3:48 pm

Just asked if he could prove ownership/Ninja on the friends list and he did, it's actually fucking legit
LOL

GLWS, worth a LOT of money.

that's not me lol, fake.

my twitter is @deactivate for proof.

HackCraig - April 27, 2018, 10:00 am

More than likely a different font/invisible character. Same with the "Ninja" you have added. I sent a friend request to the username message me on epic to prove.

Mad account would offer if i had some money...

TiaraJongleur - April 27, 2018, 11:41 am

Hi, how much do u want? Thanks for reply.

Malwhere? - April 27, 2018, 11:43 am

If Ninja is on the friend list its worthless! You'd have to pay me money to own that acc

he probably used the unicode method to create the name, also created "Ninja" using the same
method and added the account.

I've got many OG usernames using unicode and foreign letters and they look 100% legit. I wouldn't
fall for this.

happymaxie - June 25, 2018, 12:35 am

Hi, I am very interested in buying but can't PM :(

wenkins - October 16, 2018, 4:08 pm

how much are you looking for? also is this a PC account?
