Thread: [If you had OCD or were a control freak you would lose your mind on this forum.](#)

DARPA - April 27, 2018, 7:43 pm

Honestly I just watched a smoke off battle between armada and Nuworld (allegedly), every thread is off a semi adhd nature and if you were expecting something to occur in a correct order you would literally flip shit.

There is no point to this thread. Maybe other than if you have some mental condition HF will make it worse by 10 times. ?

DerJager - April 27, 2018, 7:54 pm

well im on board, lets see how this goes

DARPA - April 27, 2018, 7:58 pm

That's just it , it WONT go. It will turn into a semi functional confusion.

Thankfully I don't have OCD. I mean, the forum is organized - with sections and sub-forums and all. But the thread contents? Nope.

Corver - April 27, 2018, 8:01 pm

you said: "Every thread is off a semi adhd nature"

the correct way is: "Every thread is of a semi-ADHD nature..."

It reminded me of the special olympics.

DARPA - April 27, 2018, 8:03 pm

Yeah by you can have semi adhd I made that up. It's not even a real condition.

Zac1337 - April 27, 2018, 11:39 pm

What... Im confused what this is about

Having such mental condition doesn't only make HF 10x worse but also your life

SIM-964740 - April 28, 2018, 12:40 am

I think people with those conditions know better than to keep watching something that could cause them anguish.

SIM-3257834 - April 28, 2018, 2:39 am

Armada didn't Allow me to jump in, I think he hates me ;(

Ask him if he hates you! ?

DARPA - April 28, 2018, 5:08 am

You just need a cigarette that doesn't burn properly is all.

Light it backwards, easy fix.

DARPA - April 28, 2018, 5:33 am

Yeah but you can't look tough like that. Unless you have a really good poker face and poor tastebuds.

I'll post a very unnecessary video at the most unnecessary time

DARPA - May 9, 2018, 2:42 pm

Why do the cigarettes keep going out?

iNviZ - May 9, 2018, 2:45 pm

The forum itself is pretty organized compared to a lot of other forums.
