Thread: [3p1c Giveaway](#)

**Juice.** - May 4, 2018, 8:49 pm

I'm going to be doing a small giveaway for an 3p1c upgrade.

To enter just reply with a post saying why you'd like it and think you deserve it.

I'll be announcing the winner May 9th.

**Wake** - May 4, 2018, 9:05 pm

I would love to win this 3p1c upgrade as I love spending time on this forum and aim to get every tag I can. The career I am currently trying to pursue is In Cyber security and being on this forum really helps me there lots of knowledgeable members and I aim to try and return that as much as I can. From day one I tried to help members as much as I could and will continue to. Thanks for doing this giveaway I appreciate it and I am sure a lot of other members do also. Thank you for considering me.

I'd like it cause it will enhance the functions available to me on HF, why I deserve it? Well I am a nice person, you'd come to know that if you knew me in person. That's all I got really.

Can vouch Deadpan is a nice person. We both share equal gratitude for breakfast.

I love to get an EP!C. I try how the other function works here in hf like country lock, etc. I'm also a friendly guy and giving my service to everyone who needs it.

**Biggy** - May 4, 2018, 11:18 pm

Going to enter in one of these cause I'd like to win 3pic, would be cool. Thanks.

I'd like to enter the giveaway and win 3p1c as I'm trying to be active in the forum, and increasing my level up would mean a lot to me as currently there are restrictions of posting and also the PM storage which causes a lot of problem :(

I would love this award because my birthday is on the 9th :D thank you for the opportunity and good luck everybody else!

**Err0rr** - May 6, 2018, 12:02 pm

I'd love upgrade, because I stay on HF trying to learn new things all the time. I also don't come across crypto exchanges often, because I've seen a lot of scamming going on and I don't really have the money for upgrades & exchanges.

**Wheelie** - May 6, 2018, 2:14 pm

I would love to win this, been here since late 2011. I've learned a lot from various users and have done a couple small giveaways as well. I have a long way to go.

**nelz** - May 6, 2018, 2:47 pm

Thanks for the giveaway. I would like a chance to win 3p1c as I have been here since 2015 and regard myself as a friendly and helpful user. I would really love 3p1c for the trust scan feature especially as this would enable me to further look users history before doing currency exchanges which would help prevent me getting scammed in the future. Good luck to all! :)

**Judge Judy** - May 6, 2018, 3:09 pm

**Eccy** - May 6, 2018, 3:18 pm
