Thread: [Bassy songs for in a Car](#)

Superiorx3 - May 6, 2018, 5:20 pm

Hey guys,

I'm looking for bassy songs to listen to while cruising around in my car. I got a subwoofer hooked up that just pounds. I know a lot of good bassy songs, but I want to listen to other stuff aswell. Drop those songs. I usually listen to dubstep, riddim dubstep, rap, trap, and mostly anything edm.
