Thread: [Non-upgraded member](#)

4tl3t1 - May 7, 2018, 7:52 am

Hi HF users,

Can i get rep if i'm a non-upgraded member? Or get more than one star so stop being a "New member?"

If there's one place where i can find this information tell me and I will close the thread

Thank you! ?

More posts allow you to gain different ranks (which means more stars)

You can always get rep

You can get both without an upgrade. Upgrades just automatically give you more stars and they're a different color

Of course, feel free to send any questions via pm buddy

You can get reputation whether you're upgraded or not. You can only give reputation points if you're upgrade to either L33T or UB3R.

There are certain rules around the reputation system that can be found [here](#), I highly recommend you read them.

Hey here is the quick link to the rules We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.

You upgrade and pay it once, you can do so by clicking "Upgrade" near search. Only Cryptocurrencies.

There are a few people who sell upgrades for giftcards & paypal, I'm sure [Riyu](#) does it

Chargers good for this kinda stuff, but yea if you plan on sticking around, Id recommend l33t upgrade at least.

Welcome.

Make sure you take a look at the help documents before you start getting active as well.

Good luck.
