Thread: [\[Free\] Giving Away Random Uplay Accounts!](#)

spiral - May 8, 2018, 9:41 am

So I have got alot of Uplay accounts, and I really don't need them. If you want to get a random one which will come with random games, then just leave a reply on here and I will PM every as fast as possible. These accounts can come with some games that are old and rubbish, but it can come with games such as Far Cry 5 and Rainbow Six Seige. If you aren't happy with what you get, click my thread on my siggy, to get the cheapest Uplay Accounts on HF.
