Thread: [IG / Twitter Jacking Service / Celebrity Contact Service \(FREE VOUCH!\)](#)

Caleb™ - May 10, 2018, 9:48 am

Ever saw a instagram or twitter you really wanted but "unfortunately" someone else had the idea to pick that name before you? Well, i'm here to get you just that username!

- This IG/Twitter jacking service consists of ONLY OG username's! No celebrities whatsoever (unless you're paying a good price).
- Before i can jack your selected twitter/IG, you must have some basic information on your target. You can contact me with the @ and i will let you know what information i need. I can grab this information needed for you, for an extra fee.
- After i give you access to the account that you had 100% permission to be pentested on, it is not my problem what happens after. Lost accounts are not my issue. This service is for educational purposes only.
- This service is for US accounts ONLY.
- 100% upfront or 50% held by middleman and 50% to me. For the first couple purchases, until i start getting actual vouches, middleman can hold 95% of discussed price, and 5% towards me.
- Please don't contact me if you can't afford this or you're not seriously looking to purchase this service.
- For any further questions, check FAQ below or PM me/post on this thread if your question is not answered in FAQ.

Are you a big fan of that one actor and you wished you could have their number? You really want your favorite rappers number? Well, i'm here to get you just that!

- Before i can grab your selected celebrities number, you must have some basic information on your target. You can contact me with the @ and i will let you know what information i need. I can grab this information needed for you, for an extra fee.
- After i give you the phone number, i am NOT liable for what you do with it. If you need it for stalking/harassing purposes kindly don't contact me. This service is for educational purposes only.
- This service is not as expensive as the service above, hence why there will be no middleman used for this - please note it's usually a fast process.
- I will be handing out 3 vouch copies to TRUSTED members for this service only - not the jacking service.
- Please don't contact me if you can't afford this or you're not seriously looking to purchase this service.
- For any further questions, check FAQ below or PM me/post on this thread if your question is not answered in FAQ.

FAQ:

Celebrity Contact Service FAQ:

Q: Are you using doxagram for your number pulling services?

A: Absolutely not. Most of, if not all the numbers on doxagram are outdated/old since they were getting major light from the mainstream media which caused most of celebrities to change their number.

Q: How do you pull numbers? Can i buy your method?

A: Undisclosed information. I'm not going to sell my method unless its for a pretty penny.

Q: Can you get me celebrities addresses and *insert private info here*

A: Absolutely not! This is not a stalking service and do not treat it as such.

Q: Are you giving out vouch copies for your number services?

A: Yes, we are giving out vouch copies for the number services.

Q: How much do your services cost?

A: It depends on person to person. Obviously if you want Beyonce's number it would be more expensive than if you want some random chicks number (for example).

Q: Can i get ANYBODY'S number?

A: Mostly, yes. However, i do have my own whitelist, which includes the President of the USA & any other country and every single hackforums member & staff.

Q: I have a question that wasn't answered in here. May i PM you?

A: Absolutely! Feel free to PM me and i'll try my best to respond as fast as possible.

IG / Twitter Jacking Service FAQ:

Q: Is your method phishing?

A: Absolutely not. I can also jack inactive OG's.

Q: Can you only jack inactive OG's?

A: I can absolutely jack active OG's aswell, infact it's even easier for me. However keep in mind that this might increase chances of being pulled back.

Q: How do you jack IG/Twitters? Can i buy your method?

A: Undisclosed information. I'm not going to sell my method unless its for a pretty penny.

Q: Can you get me celebrities addresses and *insert private info here*

A: Absolutely not! This is not a stalking service and do not treat it as such.

Q: Are you giving out vouch copies for your jacking/number services?

A: While we are giving out vouch copies for the number services, none are being given out for the

jacking services.

Q: Does this work for USA only?

A: USA is the easiest for me. I can do other countries, however due to the fact that it's a bit more timeconsuming/harder for me i will charge more.

Q: Why is your jacking service US only?

A: Please keep in mind that my method is different from normal jacking (checking db's for passwords etc) - so i cannot jack Indian or chinese OG's that haven't been touched for years for example. For that reason, this service is US only.

Q: What accounts are possible/easier for you?

A: US accounts. I may try other countries for a notably higher fee.

Q: How much do your services cost?

A: It depends on account to account, and person to person. Obviously for example a celebrity would be way more pricy than a normal person, however at the same time a OG also would be way more pricy than a celebrity. Feel free to contact me for pricing information!

Q: I have a question that wasn't answered in here. May i PM you?

A: Absolutely! Feel free to PM me and i'll try my best to respond as fast as possible.
