Including everything. I also found out It works with liquor if they offer that delivery near you.

Example:

Food \$12.00

Delivery Fee \$5

Tax \$3

Total \$20.00

You would pay me roughly \$11

Big vouch for DoorDash.

I've been ordering food off of him for a few days now and I haven't had a single problem at all. The whole process was smooth and fast and the pricing is great. Not exactly sure why he's banned though. The service is legit as it gets.

**Thing** - May 15, 2018, 2:20 pm

Vouch for DoorDash, got two orders done. Poke and one for Korean Friend Chicken, i'm slowly living off of take out.

His ban isn't related to this service and is still open for customer!

**Evil** - May 15, 2018, 2:20 pm

Doordash was banned for an unrelated reason. The service he provides is very legit and I have purchased multiple meals from him already this week.
