I have got a rdp as well.

Internet speed was 900mb/s

16 GB Ram I think.

Amazing specs.

I might add a screenshot if anybody wants to see.

iNaruto - May 17, 2018, 7:27 pm

Hey , can you send one rdp for testing ?

peterowen - May 21, 2018, 9:52 pm

i would like to buy one based on the reviews i see here. Please check your pm

charles67 - June 28, 2018, 5:05 am

Hello mate. i'd like to purchase one immediately. i sent you a request on skype

BlackKneeGrowChild - June 28, 2018, 8:51 am

does this come with higher spec ones on request / Higher payment?

Looking for servers with 32gb ram - 256GB ram

LordDragon - June 28, 2018, 9:09 am

Does it have turbo mailer or AMS installed on it?

Aztec - June 28, 2018, 9:43 am

Are these cracked RDP's, GLWS

donotask - June 29, 2018, 12:11 pm

i want to buy 100 rdp all with business data on them

researchsa - July 15, 2018, 8:57 pm

is there a way to request geographical locations?

Marshmallow Man - July 15, 2018, 11:13 pm
