Anything over \$300 and I will go down to %12.
Minimum: \$100

Please only legit people, no stealth PayPals (preferably verified) or unclean funds.

I will only be dealing with trusted people considering the amounts I am accepting.

The max I will probably do is \$400. Probably like %12 is as low as I want to go though. If you want that deal PM me.

EDIT: I can actually do around \$900 per customer per day, this is a legal threshold, I don't have control over that., but I only go to high numbers if you are someone I have dealt with for a while, I only know like 3 users on this I would accept anything that high from.

Online and taking orders for anyone who needs good amounts of BTC! ?

EDIT: Just so people know I take more than PayPal. If you have something other than PayPal PM me with what you have and I will let you know if I take it. I am in the U.S. and over 18 so if it is something I can signup for easily I will take the time to do that also if it gains me a customer. ?

Online and ready to take orders!!! PM me people.

Don't go first with this clown, you'll get scammed. He'll give a friendly approach and get angry when you say you won't go first.
