I know this might be silly but I need a small amount of BTC for something, and I don't like asking for free handouts so putting this up for sale.

It's a account that hasn't been botted, 100% pure grown.

Sexual text post niche, however I take breaks and lose interest so the likes vary now. Averages 100 likes per photo within 24 hours.

It gets a decent amount of DMs from females, alot of vote interaction and dm interaction from stories.

\$5 BTC is all I'm hoping for here. ?
