G5 - G1 is 9e.

G1 - P5 is 12e.

The thread design is bad and needs to be changed since promos are not included. I know. Sorry.

Raddify - June 17, 2018, 10:13 pm

My guy I sent you a discord friend request. PM me if you didnt get one from rad!

xitoxic - June 18, 2018, 3:28 am

I think you should take that Discord username down from the original post, they are not allowed anymore.

I received a ban and 50% warning for this

Accepted! Sorry for the slow response time. I do not look at Discord a lot.

Will also remove it from the thread right now.

PRICED OUTDATED: Add me on Skype for up-to-date prices.

Because of the current patch boosting is getting a bit harder.

Frankey - July 11, 2018, 2:50 pm

My service is still up and running and the BEST on HF. (I can guarantee you that.)

Frankey - July 13, 2018, 2:20 am

The best and fastest League of Legends boosting service is still alive.
