Thread: [Legalize It award wrong award message](#)

I've noticed that when people get the legalize it award it still gives the message next to it "thank you for supporting legalization on 4/20". However it is not 4/20 anymore. Nothing serious obviously but just something I happened to notice lol

I didn't notice, nice job.

I'm gonna aim to one day get the Hot Dog award with this exact message. ?

Are you sure that's what it meant? Are you sure it doesn't actually mean "of" *support of 4/20"?

The award reason was changed to this when it was 4/20, normally it says "thank you for supporting legalization"
