Thread: [Just watched Deadpool 2](#)

SIM-964740 - May 21, 2018, 8:21 am

First of all, it was a good film, funny as fuck like the first but one thing I took from it was that it mentions dubstep and it kinda reminded me about my childhood and listening to it ahaha. I got in my car and to my misses disgust, I jammed up some Skrillex in my car on the way home lol.

Can't say I like it as much as I used to but was a bit nostalgic, anyone else know some nostalgic music to listen to?

Crystallize. - May 21, 2018, 8:22 am

Can't wait to see it. Deadpool 1 was epic and I loved it.

vad0x - May 21, 2018, 8:23 am

Watching is later today, it should be really good!

Charger - May 21, 2018, 8:24 am

I don't think I ever finished the first movie.

Please don't say you got bored :(

TessiX - May 21, 2018, 10:12 am

Deadpool 2 is a copy of the first one just to make money. That's my personal impression!

localchase - May 21, 2018, 1:59 pm

I heard this movie was ALRIGHT but I also heard it was a funny movie. Should I go see it? :)

mooseparts - May 21, 2018, 5:55 pm

I just saw Avengers and avoided spoilers too. I'd say that was worth seeing. Haven't seen DP2 yet, tho I hear the post credits scene is good.

Mr.Magnificent - May 22, 2018, 7:48 am

Am I the only one who hated Deadpool 1 ? I paused it maybe 10 times to see how long it'd still take.

Learned my lesson from the first one, not watching the second.

No! GO away, you are not welcome here.

RandomDued - May 22, 2018, 1:04 pm

Is dubstep still a thing?

I thought it was still funny as fuck but cant beat the original... cant suggest nostalgic music since everyone has own tastes lol

I'd say first one was much better.

hackgodzeus - August 7, 2018, 9:04 am

But I really don't like the fact that Deadpool can't die lol. Craziest immortal

TwitchIncomes - August 7, 2018, 7:49 pm

Lowkey i didnt find the plot that interesting. Thats just me tho

LulzCakerrr - August 9, 2018, 5:45 am

Honestly wasn't a very big fan of it, loved the first one and hoping their is a 3rd one but this one just didn't have the same magic for me.

Sheepman23 - August 9, 2018, 7:28 am

Seen it a few months ago, did not really enjoy it.

Calibur - August 10, 2018, 12:54 pm

I'd say overrated. If it's a DC hero, pretty sure people would be hating all over. Anyways, first one is better.

funkyou - August 11, 2018, 6:58 am

It was pretty cool in my opinion, but you have to be in the right mood to enjoy it.

GloryToBe - August 12, 2018, 11:52 pm

Deadpool 2 is such a good movie, definitely recommend it for Marvel fans. It's just so funny and well written and it's better than the second one.

Prince™ - August 13, 2018, 11:51 pm

Really waited so long for HD to arrive because I didn't want to go to theatre and hear a bunch of beep sounds in my region where I live.

Really enjoyed the movie. 9/10 easily.

Xtr4sh - August 14, 2018, 8:49 am

the 2 is a lot less funny than the first

greykoala - August 14, 2018, 9:39 am

I think they shouldve stuck to making one film. Deadpool 2 seemed kinda over the top for me

trueheart911 - August 14, 2018, 2:08 pm

I hope it not a total wreckage cause deadpool 1 was great

sammartin8935 - August 15, 2018, 1:40 am

The humor was good. The plot sucked. Thanos or Cable wth!

JohnTheHacker - August 18, 2018, 7:36 am

My favouruite part was when he had Baby legs.... And he just farted in front of his (was) enemy ?

gstar - August 18, 2018, 1:06 pm

Enjoyed it a lot more than I thought I would and a lot more than the first one. Only 2 complaints were the fire kid who I thought wasn't a great casting choice, and Josh Brolin who whilst a great actor, didn't fit as Cable for me.

But I did really enjoy the movie and look forward to any sequels or spin offs.

2SLiCkZ - August 18, 2018, 1:10 pm

Deadpool is the best shit ever. Period!

carfan - August 22, 2018, 2:44 am

And the action scenes are just mind blowwing ..

Kirful - August 22, 2018, 6:59 am

Liked it a bit less than first part, but it's still extremely cool and funny.

XelXel - August 23, 2018, 9:39 am

Elon Dizken - August 29, 2018, 1:54 pm

Movie was really funny! Music with nostalgic and melancholy vibes is all over youtube. Search for chillwave and synthwave. You could really like Retrowave too.

Tye "late night vibes... " or " SPACE TRIP [Chillwave - Synthwave - Retrowave Mix] " by Asthenic

drak0n - October 16, 2018, 4:38 am

yea, it is a good movie same for the first part.

Opacity Software - October 16, 2018, 8:16 am

Can't wait to see it . Perfect....

b?xxy - October 16, 2018, 8:17 am

This is one of those movies I've watched 4 times in theaters and would still go with someone to see it again.

aleem.ahmed.01 - October 29, 2018, 11:09 pm

Can anyone share its HD link ? Want to see it in 720p or 1080p. Hope anyone can help me.

noname12345 - October 30, 2018, 12:04 am

For all the impulsive flamboyance of Deadpool's patter, the liberating power of personal virtue, and the disinhibiting promise of second chances, "Deadpool 2" feels narrowly impersonal and oppressively unfree.

good movie

JTMBoss - October 30, 2018, 12:04 am

it was alright imo i defiantly liked the first one much better than the second.
