Thread: [So i cant upload image /Link if I am not an upgraded Member](#)

hostov - May 22, 2018, 12:12 am

Brothers Even If I have 50 total post count : I am not able to upload Links /image on Hf threads /post .

I do remember that Last year users were able to do these things but now I think some actions are limited .

Is it true ?

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.

Read above and you might find your answer.
