Hi, I don't think this show is good for anyone that thinks any actions that are taken are actually solving something.

I wonder if this increases the drama on schools, even though they state that it's graphic, it makes it more attracting to watch.

sHAY - May 23, 2018, 2:57 pm

Season 2 was meh, just like the whole show.

Just wish he went through with it on the last EP lol.

Anybody who allows this show to cause drama at their school are idiots. I feel like if anything this show should spread light onto the subject of bullying & spreading rumors.

Watched season 1 and I pretty much think they shouldn't have made another season. They've ended it well and was perfectly made. I don't see any other good reason why they need another one besides milking money off it. Lmao

Im about to start watching it, but whatever everyone told me it's shit

RRRaptor - May 24, 2018, 7:55 pm

Spoiler [\(Click to View\)](#)I kind of wanted Tyler to start shooting at everyone. I was on the edge of my seat, all this hype since season 1 and he just gets in Tony's car and drives away is kind of underwhelming. I guess I understand what the producers tried to show, that it doesn't have to end that way and there are alternative options.

VmX5 - May 24, 2018, 8:43 pm

I watched season 1, not bad. But then before I started season 2 a friend of mine showed me the last episode of season 2 (38:00(I think)) and im kinda scared to watch it now.

is 13 reasons why a good show like breaking bad or mr robot, or is it just a gay teen show?

omg same! hes such a fucking pussy I was so hyped

uberjojo - May 26, 2018, 1:04 pm

All of season 2 just felt like a recap of season 1, everything that happened in season 2 should've happened in season 1. I liked the first season very much but not the second

Texnificenfs - May 27, 2018, 2:06 pm

I think it has a good idea but the execution was just bad

eliezerwillian - May 30, 2018, 3:45 am

I think that the second season was not necessary

Meow - May 30, 2018, 3:52 am

Season 1 was perfect, they shouldn't have made season 2.

Spoiler [\(Click to View\)](#)

Imo the show would've been 10 times better if Tyler did the shooting instead of running with that gay guy.

I read online that the show might get removed off Netflix because of that bathroom mop scene. I mean.. it was okay but nothing close to gore or explicit, imo at least.

Overall season 2 was boring af to me, half of the fucking show happened in court and at the end they fucking gave Bryce only 3 months. Trash.

Clay was vibin' and that's about it, it would've been 10 times better if somehow Hannah didn't kill herself and they did something around that in season 2.. instead of boring ass court and flashbacks.

The ending was disappointing, it was pretty obvious it had been reshot at the last minute. Somewhat contradicts everything they've said about other difficult topics they've covered when they're too afraid to cover this.

ajabisma - June 2, 2018, 7:59 am

I don't understand why people are so afraid of the show. I know it has some triggering scenes, but honestly I wasn't affected of them. I think it's a great show, and I'm looking forward to season 3

Ferex - June 2, 2018, 5:03 pm

Season 2 was pretty good last episode was kind annoying tho

season 2 was pretty bad compared to the first tbh

Durango - June 3, 2018, 7:30 am

Season 2 was bland except for that mop scene. They had to make up even more stories about Hanaha to make her seem more risque. They basically changed the story.

ldk4788 - June 25, 2018, 8:58 pm

Honestly it pissed me off that the whole season was about helping Justin drug addict head ass
