Thread: [World Cup 2018 Predictions - Come And Make Money](#)

NatiskameGi - May 24, 2018, 5:55 am

As everyone knows World Cup starts in a couple of weeks. There would be a lot of action and bookies are promising decent odds for those games. I am here to offer you my highest quality predictions for those games with win-ratio that will make you really decent profits.

I will be making a Telegram group where I will be posting the games daily.

Price:35\$ for the whole World Cup and 25\$ if you book your place before it starts !

Accepted Payment Methods:

Crypto/AGC
