Thread: [Thread Options Currency Exchange Scammed by Rawrin | \\$100 Paypal | UID=3800394](#)

Kaasman - May 24, 2018, 10:34 am

I earned this month like \$100, so i thought i want to bet some btc on bustabit.
I replied under a exchange post, so Rawrin pmed me.
He said he can do \$100 paypal for \$90 btc.

I sent him the PayPal and he was directly making excuses.
Never got the money back, Know with who you are dealing guys!

Rawrin, if you see this i hope u will burn in the hell you motherfucker.

This is so unfair for me.

It's not the staff's job. As it says in the [Help Docs](#) and in the marketplace sticky Staff don't get involved in deals or deal disputes. All deals are at your own risk

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.
