Description:

My first deal with this guy went so smooth i even vouched for him he set up a botnet for me then i asked for crypting my file and give me 100 loads for 21\$ sent him the money and he doesnt answer any of my messages on Discord or HF then i saw that he replied to a scam dispute against him but still didnt complete the job for me

Hmm nice 3 scam reports on him already, very interesting.

Also dont know why when I click his profile link it leads to main HF page.

It's fine for me, you must have been blocked by him or something.

Here's his main page <https://gyazo.com/eddeb949637900a67a7538cdf4ed1a82>
