Thread: [stop selling old ass saturated packs as "non saturated" or "best selling"](#)

Petty - May 25, 2018, 4:03 pm

right now this is mainly directed at shutdown, but anyone else doing this can feel shamee as well

his stickeid thread: <https://hackforums.net/showthread.php?tid=5702689>

these packs are old, over used. and over priced.

Dude deserves to be called out for selling packs that are given away for FREE on here

lets take out the trash lol

The fact of the matter is that the only truly unsaturated packs are ones that you create yourself or one that you pay a girl to make.

Every other "unsaturated" pack becomes saturated the minute it's sold more than once. And it's disgraceful that people take advantage of the newer members of the community with this stuff.

Why is it only directed towards Shutdown? There's other people doing that too yet why do you only choose him. Btw why do you care so much about this?
