//bump

This is still up, and not sold anywhere

Does this have to do with sticky keys by any chance

Do these require any further investments? How much times does it take to get 1 RDP and what things are needed?

I'd buy but offering no vouch copies seems sketchy to me.

GLWS anyways.

No vouches because I am not willing to give this method out for free. I will be using TeamViewer to show you how to do this. I wont take an hour out of my day to teach a method for free.

You are not giving it for free...In return you'll be getting many sales when a reputed user vouches for the method.

Or I get one sale for \$25, in which they vouch as well. Fair enough. Not to be rude, but I dont want to give out free copies of this. I will take my time.

If I see your Reputation then I hardly doubt it That someone is gonna buy it without a Review from someone Who is trusted.

Judge Dr3dd - May 30, 2018, 1:17 am

Interesting, but I would not buy without any vouch!

Hailstone - May 30, 2018, 6:35 am

Does this involve sticky keys by any chance or using a ubuntu vps?

ZenBuddhism - May 30, 2018, 10:07 am

Alright, how about this, guys. I know my rep is fucked, but I will start making an Ebook on this instead. I will hand out 1 vouch copy.

Because this thread is older and I can no longer edit, any idea how I can add the vouch I get to the thread?

I'm pretty sure upgrading or buying a sales tag expands your editing abilities
