Hey, are you able to add modules, re code/Edit codecanyon scripts?

(
<https://codecanyon.net/item/laraship-pro-laravel-powerful-admin-user-cms-rules-memberships-settings-subscriptions/15650201>)

If so, I have a rask for you, where I need to work close with a coder.

Please message me your discord username, or have the conversation over PM's if you are up for it.
