Happy Goodwill Monday!

If you guys don't know what Goodwill Monday is, take a look here:

<https://hackforums.net/showthread.php?tid=466320>

Let's hope Omni doesn't forget about Goodwill Monday this year like he did last year. ?

<https://hackforums.net/showthread.php?tid=5642761>

Take the time today to show some kindness and love to the community.

Do whatever you want to some show love (buy an award for someone, give out positive reputations, send a small, quick PM to thank someone). They all count. ?

Haseo™ - June 4, 2018, 7:35 am

Will do thanks much for the heads up Aurora.

Have a good day!

Cool idea, but shouldn't activities like these considered as a normal thing? I mean, as a thing you

would do constantly and not once a year?

Not trying to be offensive, just asking. ?

TB12 - June 4, 2018, 7:47 am

Holy fuck its here already? Happy Goodwill Monday everyone :)

Well, yeah. Not everyday is a positive day for everyone though. People give out -3/-4/-5 all the time.
?

Basically, anyone who can give out a negative reputation is suggested to not give out any (unless it's associated with a scam report).

it's like Christmas/thanksgiving you should always do good things but there's still a special day to go a step further ?

Just read the post now and saw the reputation thing. Seriously, cool idea by Omni. Sad that many people are filled with so much negativity. ?
