Eccy - June 4, 2018, 9:25 am

Since it's good will day I'm going to giveaway 3 Physical Bitcoins!

I will need an address or a PO Box

I have 3 numbers on notepad between 1 and 250, reply what number you want.

Not sure if this is going to get any entries since I require address or PO box, but worth a try :)

Requirements:

Upgraded Members: Active and HQ

Non Upgraded: Active, account older than 1 year, positive reputation, more that 500 posts.

If no one gets the numbers by the end of today then I will choose whoever is closest.
