We adopted this little fluff ball last night and she's the sweetest thing, about 5 weeks old and eats like a champ. Help out with names :) (won't let me post pics for some odd reason so here's the link) <https://imgur.com/gallery/WM4qNDS>

pffft don't forget, lasagna everyone knows Garfield loves lasagna. But seriously that's a cutie kitten, I did have a laugh when I saw "Destroyer" after seeing the kitten. How about Van or Vanni, kitty reminds me of the Gypsy Vanner horse. Who knows you can now mess with guests when you say the cat's name is Vanni, and call the cat laurel pretend that they heard it wrong :P
