Hello, I'm new here.

I want to sell my own ebook, made by me.

in this ebook there is one method you can do to get easy money, no need effort or hard work, only do the steps for one time only

and then do anything else, trust me, it's super EZ

- how many hours should I work per day?

20 minutes per day will be great.

- how much can I earn by one day?

will it depends, sometimes 20\$, maybe 10\$ maybe more than 100\$, but trust me you will get money very easily.

- is there any vouch copy?

actually no it's just 4.99\$, so it's not worthy.

- can I get a refund?

well, if you do the method and didn't earn any money after 30 days, yes I will refund you the full amount.

- is it legal?

Yes

- is there any support?

yes, I will help you if you have an issue.

I only accept PayPal right now

you can buy the ebook from here
