Thread: [ONLY 1 SPOT AVAILABLE! Make \\$1,000/week with CPA {GUARANTEED}](#)

funtela - June 6, 2018, 9:57 am

Due to a couple of discounted vouch sales I had to do, There's only 1 more spot open. As I've said I'm limiting this to 5 sales. Will update the stock accordingly ?

I'll keep this short. Was messing with CPA again this week and figured a pretty easy way to make some money. This involves ewhoring, but you're not talking to anyone. So there's no talking to dudes with risks of dick pics lol.

You will also receive access to UNLIMITED ewhore packs. Yes, unlimited ewhore packs with verifications, pics, vids, etc. These are also constantly updated.

I guarantee that you will be making anywhere between \$500-\$1k within your first month IF you follow my steps.

There is no ebook, no text file. I will make a group chat with customers and guide you from there. As well as provide everything that is needed.

I'd try to have around \$20-\$30 to invest for a quick "profit boost".

NO VOUCH COPIES
NO HINTS
NO "IS IT THIS?"

All of the questions above will be ignored.

Why sell this? I try and earn money through every niche I find. My IRL business has been keeping me occupied and have not had time for this. Due to it being an ewhore method, I have to be alone when doing this. But, I live with roommates and the only PC in the apartment is in the living room. My PC use is limited at night and I have zero privacy.

Anyways, 5 copies will be sold due to saturation.

Price is \$150 each.

I'm not in a rush to sell this. But I can't guarantee that there will be a copy available tomorrow.

This looks interesting but IMO too good to be true.

You said "guaranteed" so what if I don't make \$500 in my first month?

Also on the title, you're saying \$1000/week while on the thread you actually guarantee \$500+ per month...

Would you agree to share the method first, then if I make the guaranteed amount I will be happy to pay you also the double of the price of this method?

I guarantee \$500-\$1k within the first month. After that should be smooth sailing and easy money as long you repeat and follow my steps.

The method will not be shared first. Sorry.

You shouldn't ignore the "is it this" questions. I don't want to buy something I may already know and thought about.

If you knew this you'd be making enough money to not even consider buying this.

Correct me if I'm wrong but all of the cpa networks I've used don't allow adult traffic to be monetized

I can do the first copy at half price.

Meow - June 11, 2018, 9:51 am

I roughly know what this is about (based off what OP said in the thread) and I can vouch that you can easily make \$500-\$1,000 in your first month. I managed to make close to \$500 in my first week.

Good luck with selling!

I am in no way vouching for OP or this service, just saying how much I earned thru doing something similar to this. Thanks.

Rebellion. - June 11, 2018, 10:02 am

I'll suggest you to send out few vouch copies out to trustworthy people.

That would give a boost to your sales for sure.

Let me in if possible.

GL! :)

"I am in no way vouching for OP"

" I can vouch that you can easily make \$500"

a little contradictory?

I can vouch that you can easily make \$500/week from adult CPA, probably more.

I have no idea who OP is nor I'm vouching for his mentoring/service.

If you have any problems with my posts(s) take it to PM's, no need to discuss here.

He knows the method. He's vouching for it. Not for me. Simple as that.

KeelanxHacks - June 12, 2018, 6:42 am

Well I thought I was buying the first copy but looks like there is two first copy's. Anyways I'll update whenever me and Ragnar get this setup.

It is a good and simple method and OP is a communicative teacher who answers all questions.

Thanks for the review update :)

I'd say after a week you'll be able to manage a steady \$50-\$75/day.

fun tela - June 18, 2018, 9:47 am

I'll be available to teach all week :)

If OP knew a method to make 1k/week he wouldn't be sharing a computer with his roommates lol
