Thread: [Unlimited Spotify Premium Accounts \[UNSATURABLE\] \[LEGIT\]](#)

Frost - June 6, 2018, 11:35 am

Giving away my ebook for free, since it got leaked and became almost a public method and I stopped updating it.

You will learn how to create unlimited Spotify premium accounts that last 2 months.

A 1\$ investment is required for each account, or less if you know other "sources" as the one in the ebook.

A guide to transfer playlists is also included.

You can easily sell these accounts on any marketplace.

Only for upgraded users, reply below to get the ebook.

Do not PM me or you will be ignored.
