Thread: [I just got negged and insulted](#)

**vmarcis** - June 6, 2018, 11:59 am

What is wrong with this forum.I got negged from 2 people both for minus 3 can they do that just because they feel like it. I was polite with both of them i didn't want to get more involved in this battle and they negged me. Isn't that against site policy?

No it is not. There are quite a few things you don't yet understand about Hack Forums.

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.
