Thread: [does spartan cryper bypass smartscreen?](#)

**ramos12** - June 7, 2018, 8:50 am

Hi, I'm new to new here and I wanted to know if the spartan cryper or any other cryper bypass the smartscreen in windows 10..  
thanks!!

Static Crypt 4 has a option to remove your zone ID.

Zone ID Remover will not work, as ZoneID does not effect smartscreen.

And here we have someone whom knows absolutely NOTHING about what he's talking about, I can best suggest you to educate yourself and don't post if you don't know.
