Thread: [Business Logo Needed](#)

rpgce - June 7, 2018, 3:26 pm

Hello, i started a business selling gift cards and i need a logo related to gift cards and security

"Graphic Type: Avatar/Logo

Colors: Any colors as long as they look good together, would prefer a warm color set though

Theme: Gift Cards, it has to do with a gift card selling business, the name of it is "Secure Deals"

Size: Any Size

More Info: Pretty much everything stated above, if you could also create a banner that would be awesome but i don't want to ask too much, i was thinking of a design with like a gift card and a security lock but you're the GFX person, you can do what you want!"

Will accept any submissions, thanks in advance!

imgur.com/a/f2iyTRh You don't have to use it but just my take on the idea; i preferred to go with more e-commerce colours
