(Sep 18, 2018 10:14 AM)LegendaryFox Wrote: [\[CITE\]](#) Okay, it has been around a week since I bought this method.

One thing I want to bring out of the box right away, Is that I started with a very low bank, £20. If you are able to set aside a bit more like 50-100(or more) then you will be experiencing a lot more profit / per match/offer as you don't need to "build your bank" and you can easily get the advertised price of 600+ per month.

I have turned £20 into around £100-105 and it's growing as we speak. Also, Zilliqa is always available to help/support any questions I might have. It's my best £40 I have ever spent. It's mind-boggling how easy this is and how the profit increases the more you have (when you have a "bank") as you will be able to do more offers in a single go

(Sep 24, 2018 02:11 PM)poufpater Wrote: [\[CITE\]](#) vouche from me.

the guide is sweet and to the point. It explains in easy steps , including screenshots how matched betting works

and i gotta say it was easy as pie once I did it once and understood how betting sites work.

Am an absolute novice and I managed to make it work, I only did 3 betting sites so far and I have already gotten more than what I paid for the guide in profits.

Zil is cool and always on hand to help through discord if you are stuck too.

Vouch once again, this is a fun and easy way to make some extra spending money (44 quids after just three bets is

lovely, thats substantial money) with no risk....

just sit down and read the guide well, ask zil if you have any queries then try it out yourself.

You have 0 rep so this would be pretty much pointless for me to give as a vouch copy, essentially you're just asking for a free copy.

Zlatane Ibrahimovique - June 8, 2018, 1:16 pm

If this could be done using a VPN I would appreciate a vouch copy.

If not, I would only be able to rate the guide itself, so not so worth it.

Let me know and good luck with sales sir!

ANYONE asking for a vouch copy is essentially asking for a free copy, don't you agree?

Offering a vouch copy to a trusted and reputable member, PM me if you're from UK and interested in this.

(Jun 12, 2018 01:22 PM)Castro Wrote: [\[CITE\]](#) What makes your guide any different to <https://www.oddsmonkey.com/> or Profit Accumulator?

Neither are completely beginner friendly (in my opinion), if you get stuck there's no one to really turn around too and get help from which when I started I kind of wish I had. My guide also offers the full mentorship and it's obvious i'm not going to get a huge amount of people getting this since it's UK only so the people who do buy I will always have time for. Not to mention there is a few odd things that any of the big ones will talk about such as gubbing, multi id'ing, etc.

Ice - June 17, 2018, 2:09 am

Big day tomorrow with England playing, I myself have already made over £200 profit already and the game is still over 30 hours away. Royal Ascot on Tuesday, big week for money in matched betting, if you want my guide and mentoring just PM me.

Hi mate,

I've checked the posts in this thread.

Yes, you did offer a vouch copy but that user has not provided any feedback for your thread.

If you're looking for genuine feedback hit me up.

I'm a first time user to matched betting as i've always heard about it but never looked into it.

It's just something I'm curious about and would like to check further, not something I'm willing to drop £40 on just to satisfy my curiosity.

If you want a complete beginner to matched betting to look at your ebook and then vouch if it's beginner friendly then feel free to hmu.

So, let me get this straight.

You said you were handing out a vouch copy.

But you didn't even hand it out in the end as the original poster wasn't from the UK.

Then you say "It's proven to work" without providing anybody's vouch review.

So, you still have a vouch copy right?

You're not getting "nothing in return". You're getting basically the only vouch on your thread to verify whether or not it works for beginners (like myself).

'Big vouch here for the method, super easy to make your money back with this method and not difficult to do. Don't hesitate to buy!'

It's not like i'm hiding what the method is, I'm telling everyone straight up that it's matched betting, which is proven too work...

And yes, I'd be getting nothing in return.. Anyone can just google 'does matched betting work in the uk' and get the same answer that you could give, which is inevitably yes.

:) you can't just vouch for yourself. EDIT: - Just found your vouch on your other post, thought you made your own vouch because you didn't quote the user lmao

Yes, matched betting does work statistically.

Does your method of teaching beginners in a friendly way work?

Well you'll have to pay £40 to find out as you don't have any vouches from any users.

Yes it completely talks you through it step by step, It'd be harder too not understand than understand it.
