I guess I could try I have no idea how I would but I could look Into It.

TrippieRed - June 11, 2018, 12:05 am

Sounds like a great thing too listen to when I am browsing. Thanks.

Ganja - June 11, 2018, 2:26 am

Great idea and it was a fun listen!

Small tip: it sometimes seems like you go from question-to-question, instead of going deeper/asking

more about what was just said. Interviewing is a skill on its own tho and you did very well overall, I liked it!

Will keep an eye out for the next edition

I feel that too but I try to keep it to a certain time limit to keep people listening interested I highly doubt if I uploaded a 20-30 minute Podcast people would listen all the way through. I could possibly ask fewer questions and talk more in depth about the ones I do ask. Thank's for your feedback.

sAVITAR - June 11, 2018, 3:58 am
