Selling a method to obtain Fortnite Accounts with skins.

It isn't 100% but there's a good chance you find some accounts with skins.

Giving out 5 vouch copies. - DONE

It's a pretty decent method that requires nothing besides time. Riyu was able to give me examples of accounts that he was able to grab from this method. Anyone with internet access is able to do this. The method isn't cracking which is good considering that's usually what everyone sells nowadays.

Definitely, worth \$10, I'd personally charge more.

Thanks for vouch copy! ?

I'd say it's a good product for it's price, and anybody interested in Fortnite could enjoy using this method.
