Hello everyone!

I am selling twitch followers / viewers.

Selling chatters as well contact me on here or on discord for that

Prices for followers:

100 followers = \$1.50

200 Followers = \$2.50

500 Followers = \$4.50

1000 Followers = \$7.50

If you wish to have an order higher than 1000 followers I will need you to contact me personally on discord or in pms on here: dxm#7183

Price for viewers:

30 live viewers for a stream = \$1

50 Live viewers for a stream = \$3

Any order higher please contact me on discord or in pms on here: dxm#7183

(Sometimes the live viewers may not work %100, in case of this occurring I will either offer a heavy discount or a full refund and redo the service for free)

I will not be giving out any vouch copies for this service but that may change in the future
